Capital, Lao PDR

COMPANY INFORMATION

BOUALAY MANGKONETHONG COAL MINE SOLE CO., LTD. (BMT)

Established on April 25, 2014, Boualay Mangkonethong Coal Mine Sole Co., Ltd., recognized by its distinguished acronym BMT, holds its corporate headquarters in the esteemed PhonThan Village, Xaysetha District, Vientiane Province of Lao PDR.

With the strategic alignment of our leadership, BMT has been accorded a prestigious mining concession by the Lao PDR government, allowing us to operate in full compliance with the country's legal framework. Our mining territory is strategically situated in Nam Ngeun Village, Vieng Phu Kha District, Luang Nam Tha Province, Lao PDR.

In an era of globalization and trade, BMT is not only poised to cater to the domestic market's coal demands but also primed for international export. Our proximity to the border amplifies our export potential, and we're privileged to commit to contracts that guarantee a minimum annual export threshold of 10,000 tons.

CORPORATE SOCIAL RESPONSIBILITY (CSR)

At BMT, we're more than a mining company; we're committed to creating a positive impact. Our CSR initiatives include:

- Community Partnerships: We collaborate with local communities, enriching lives through employment and development projects.
- Environmental Care: Our sustainable practices prioritize reclamation and conservation, safeguarding the environment.
- Safety First: We ensure the safety and well-being of our employees, making their return home each day our top priority.
- Empowering Growth: Through education and skill-building, we empower local talent and contribute to regional progress.
- Ethical Foundation: Integrity and transparency define us. We uphold ethical standards in all our endeavors.

Choose BMT for responsible mining that benefits communities and the environment. Together, we shape a better future.
